EDITING: HILARIOUS

I told you
there would
be consequences

Those
who gathered
enough badges
and pressed the
button also
died.

However there were
three people, who
didn't fail for it and
managed to drop
out from the game

AREN'T
YOU GLAD,
OLD MAN!
YOU HAD
ENOUGH
BADGES

AND
DIDN'T
HAVE TO
WITHDRAW!

SO
REAL ..

THEY JUST
DIDN'T HAPPEN
TO PRESS THE
BUTTON, THEY
WERE JUST
LUCKY.

Y-YEAH,
YOU'RE
R-RIGHT!

Now let me
announce the
number of players
that advanced to
the next round!

HEY, YOU'RE
ACTING COMPLETELY
DIFFERENT FROM
BEFORE.

I WON'T BE
FUCKED.

KAZUYA, I'M
GRATEFUL
TO YOU
FROM THE
BOTTOM OF
MY HEART.

And now
we're down
to about
2 million
people!

7852562 people

There were
about 8 million
people when
the game
started

1825157 people

HE'S
PROBABLY
JUST THINKING
OF HOW LUCKY
HE IS THAT HE
DIDN'T HAVE
TO DIE...

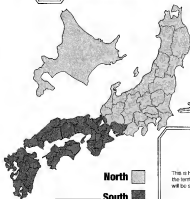

60 MILL-
IONS OF
PEOPLE
DIED.

From here
let's proceed
to the second
round

This is how
the territory
will be split.

The second
round will be
a team-battle
separated in
North and
South.

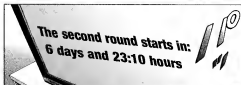

The game won't end until every last person is killed

The rules are simple, the first to annihilate the enemy wins.

You are not allowed to invade your opponents' area until the start of the second round.

**The second round starts in:
6 days and 23:10 hours**

The second round will start in a week at 7 pm

IT'S A BIT EARLY BUT OK.

THEY'LL COME PICK UP THE BADGES TOMORROW, SO HOW ABOUT WE JUST GO TO SLEEP?

IT'LL BE ALRIGHT! LET'S JOIN FORCES AND DO OUR BEST!

A WAR...

THANKS FOR
GETTING ME
THROUGH THE
FIRST ROUND.

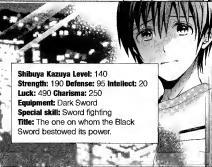

DARK
SWORD

GOOD
NIGHT.

SO THE NEXT
ROUND WILL
BE AN ALL-OUT
WAR BETWEEN
THE NORTH AND
THE SOUTH...
